

Buy one get one free for tool lithium batteries

Overview

Are Milwaukee M18 batteries free?

Power tool batteries are expensive. Sometimes they're pricier than the tools themselves. But, right now, The Home Depot will give you a free battery when you buy specific Milwaukee M18 battery-powered tool. The list of eligible tools spans everything from massive combo kits to essential staples like drills and drivers.

How much does a Ryobi 18v battery cost?

Instead of spending up to \$199 for a Ryobi 18V tool-only model, you get a completely starter kit with great potential for expansion. Or, if you're an existing Ryobi user, you get some new replacement batteries and an additional charger plus your free tool choice. The starter kit comes with a 2Ah battery, (2) 4Ah batteries, and a charger.

What is the best cordless power tool?

Makita USA: The Leader In Cordless with 18V LXT Lithium-Ion. The best in class for cordless power tool technology. A leader in power tool technology for the professional.

Does Ryobi offer a new tool-only model?

A reader tipped me off that this promo includes some of Ryobi's newer tools as well, such as their fancy multi-functional tripod worklight. Instead of spending up to \$199 for a Ryobi 18V tool-only model, you get a completely starter kit with great potential for expansion.
