

Export to EU solar energy storage companies

Overview

What is the battery storage Europe platform?

BRUSSELS, Belgium (Tuesday 1 July 2025): SolarPower Europe has officially launched the Battery Storage Europe Platform, a major new initiative to drive forward the business case and regulatory framework for battery storage across the European Union. Juhi Dion Sud, newly appointed Head of the Battery Storage Europe Platform, said:.

Which companies are launching Solarpower Europe?

Following companies have signed the launch statement of the initiative so far: Ecoprogetti, Holosoli, K2, Mondragon, SMA, Staubli, Unex and Weidmuller. „We expect to add more in coming weeks and months“, Bethany Megan, spokeswoman of SolarPower Europe told pv Europe.

What is the European market outlook for battery storage?

The move builds on the success of SolarPower Europe’s annual European Market Outlook for Battery Storage, an established point of reference in the energy sector. Dion Sud continued: “The EU currently has just over 50 GWh of battery energy storage systems (BESS).

What is Solarpower Europe?

Through ISMI, SolarPower Europe will act as a facilitator between the EU Global Gateway strategy, DFIs, and ECAs to secure public financing and access to global markets for European solar manufacturers. SolarPower Europe calls for action plan to save the European PV inverter industry
