

GermanSolarZA

Germany Hamburg solar panel brand wholesale

Overview

Is it true that solar panels are made in Germany?

Some top-rated solar panel manufacturers, as listed by Clean Energy Reviews, do not produce solar panels in Germany. We also considered Australia for those who prefer local support. Currently, we only have one solar panel manufacturer in Australia, Tindo Solar, which is based in Adelaide, South Australia.

Who is Solara?

SOLARA is the strong brand for solar technology (photovoltaic) from northern Germany for over 20 years. As a specialist provider of stand-alone systems (e.g. mobile solar systems for various vehicles such as caravans and sailing boats), made in Germany, we guarantee a reliable power supply. Clean, emission-free electricity from renewable energy.

Where are solar modules made?

The solar modules of SOLARA are the product of German workmanship and are manufactured exclusively in Germany. Thanks to the high quality of the materials used and their manufacturing, they are extremely robust and durable.
