

# Hanoi solar Power Station Inverter

## Overview

---

Who makes SolarEdge Solar inverters?

SolarEdge, founded in 2006, is one of the world's fastest-growing solar inverter manufacturers and currently ranks as the largest globally. The Israel-based company offers a wide range of inverters for residential, commercial, small-scale solar installations, along with a wide range of energy storage optimizations and solutions.

Who is LONGi Solar?

LONGi Solar founded in 2000, is the world's leading manufacturer of high-end monocrystalline solar panels. LONGi Solar has focused on MONO for the past 18 years and is currently the largest supplier of Mono panels in the world, with total assets of over \$5.23 billion (2017). LONGi Solar is planning to reach 45 GW of products by 2020.

How IREX has installed BTS stations in Thanh Hoa?

IREX has successfully implemented projects to install BTS stations in Thanh Hoa, Myanmar. BTS solution is flexible and convenient, usually in 2 formats, outdoor and indoor. About the outdoor format, all equipment is installed directly outdoor and designed in a modular form.
