Overview

Where is Riyadh Air Base located?

Riyadh Air Base (XXN) is located in the municipality of Riyadh, which is the capital of Saudi Arabia, Asia. It's a medium airport in Saudi Arabia based in the region Riyadh Region .

Why is Riyadh Air Base significant?

Riyadh Air Base, Saudi Arabia, is one of the most important American bases due to its strategic location. Situated in the Middle East, it allows American troops to easily support potential invasions in the area. The base is located in the capital of Saudi Arabia, Riyadh.

Is Riyadh Air Base privatized?

The privatized system is usually more expensive, but it provides better facilities. Some of the most important units hosted at Riyadh Air Base include the Military Training Mission, a few parts of the USMTM Division of the Air Force and the Extended Training Service Specialists.

Does Riyadh Air Base have a housing system?

The housing system at Riyadh Air Base is extremely well set up. Whether you get there as a single soldier or with your family, finding a home is piece of cake. Most inhabitants are hosted in the Eskin Village, close to the base. The on site accommodation depends on three aspects - the availability, the reason of your assignment and your status.
