

# Roman Power Tools solar container lithium battery Manufacturer

## Overview

---

What is the upstream of the electrochemical energy storage industry chain?

The upstream of the electrochemical energy storage industry chain mainly consists of various raw material suppliers, including positive and negative pole materials, electrolytes, battery diaphragms, electronic components, special auxiliary materials, etc.

Who makes EV batteries?

1. CATL (China) Key Focus: The undisputed leader in EV battery manufacturers. Contemporary Amperex Technology Co. Limited, or CATL, is a powerhouse. It holds the largest market share in the world for electric vehicle batteries. The company supplies batteries to nearly every major automaker, including Tesla, BMW, and Ford.

Who makes a good battery in South Korea?

Samsung SDI is another South Korean giant in the battery industry. They produce high-quality prismatic battery cells for the automotive sector. You will also find their technology inside many of the world's leading smartphones and electronic devices, showcasing their versatility and expertise. 7. SK On (South Korea)
