

Singapore factory container wholesale

Overview

What is container shipping in Singapore?

Container shipping simply means that your goods will be transported inside a container on a ship. There are only two ports in Singapore: the PSA Singapore terminal and the Jurong Port. They are located quite close to each other, so there's no huge difference in shipping prices. Container shipping can be broadly classified into two main categories:.

Where are singamas containers made?

Opening its first container factory in Shanghai in 1990, the management of Singamas from the outset regarded China as an important base for its production activities. Maintaining this view, the company strategically established factories in key coastal ports, operating 4 facilities in the country.

What is Simax industrial plastic container?

Simax Industrial Plastic Container is an effective solution in mostly food industries, providing the ideal solution for storage, transport and retail display. Our industrial plastic containers are versatile, rugged, reusable and extra light.

How many factories does singamas have?

Singamas Group operates five production factories and runs eight container depots in the Asian-Pacific region. Please select one of our professional services Copyright © 2025 Singamas Container Holdings Limited. All rights reserved.
