

# Solar Awning Manufacturers

## Overview

---

### Who is the Awning Company?

At The Awning Company, we provide our customers with a unique product range, offering GH awnings that are designed to impress. Our strengths, together with the company's reputation for providing high-quality products and competitive prices, make us the UK's leading manufacturer for vehicle awning solutions and bespoke structures.

### What is a solar awning?

Maximize your space with Lumos Solar Awnings. Solar awnings offer a combination of practical use and green energy, transforming buildings into power-generating hubs while enhancing architectural appeal. Lumos specializes in designing solar awnings that fit into structures, providing energy efficiency, shade, and style all in one package.

### Who manufactures aluminum awnings?

MMC Products is one of the oldest manufacturers of aluminum awning components in the country. They manufacture aluminum awnings from their warehouse. MMC Products takes pride in their flexibility and ability to work within your needs and your budget.

### Who makes Solarus awnings?

Solarus USA is a company that specializes in retractable awning systems with customized detailing. It sells window, cottage, patio and commercial awnings from its headquarters in Miami, Florida.
