

Spanish home solar container system

Overview

Who makes containerized mobile solar PV generators?

Spanish solar PV generator manufacturer Nomad Solar Energy, a subsidiary of solar power plant project developer Lone Lighthouse, has launched a line of containerized mobile solar PV generators.

Why should you choose solar in Spain?

Discover life in Spain the way it should be: sunny, simple, and stress-free. Since 1999, Solar in Spain has been helping homeowners and businesses across the country harness the power of the sun. With over 5,000 successful installations and more than 25 years of experience, we are one of Spain's most trusted solar energy providers.

Will solar sun tax boost Spain's energy transition?

Solar sun tax in Spain has now been abolished which will ultimately boost the country's energy transition. The Spanish Cabinet has approved a royal decree, which introduces a package of urgent measures to boost the country's energy transition.

How has Spain's green energy sector performed this year?

Solar has once again been the driving force behind the growth of Spain's green energy sector so far this year, with renewables generation between January and September up 16.3% on the same period of 2019.
