Telecom site battery cabinet logistics freight price

Overview

How can easy logistics management help solar and battery companies?

The key to success lies in cost-efficient freight, strategic warehousing, and automation-driven logistics. By partnering with Easy Logistics Management, solar and battery firms can focus on growth, innovation, and sustainability —while we handle the complexities of the supply chain.

Why should I use the automated freight cost calculator?

Our automated freight cost calculator allows us to quickly show you the best prices. You can flexibly decide which transport route you want to choose & which mode of transport. We offer services, such as e.g. freight insurance, which you can easily add with one click. You are not looking for spot prices but offers for recurring transports?

How can I get crates delivered as LCL or FCL sea freight?

Start the price search engine and have crates delivered as LCL or FCL sea freight to your desired destination. Our partner forwarding companies can offer you car shipping in containers or by RORO ship. Find experienced general and consolidated cargo freight forwarders quickly & easy directly via our configurator.
