

# Vaduz home energy storage supplier

## Overview

---

Who is Tu Energy Storage Technology (Shanghai)?

Safe operation and system performance optimization. TU Energy Storage Technology (Shanghai) Co., Ltd., founded in 2017, is a high-tech enterprise specializing in the research and development, production and sales of energy storage battery management systems (BMS) and photovoltaic inverters.

What is a residential energy storage system?

Our residential energy storage systems allow homeowners to store the energy produced by their solar panels during the day and use it at night or during periods of low sunlight. With our energy storage systems, residents can reduce their dependence on the grid and enjoy greater energy independence.

What is PV+ storage?

In addition, the PV+ storage model brings more flexibility and facilitates the emergence of innovative business cases in the photovoltaic storage sector. The combination of different devices and virtual power plants (VPP) is bringing more value creation to the domestic energy storage market.

Who is Xuantu energy storage Tues?

In 2025, TUES obtained official authorization from Victron Energy and became the official authorized agent in the Asia Pacific region. As a strategic partner, Xuantu Energy Storage TUES will provide a complete product matrix and localized engineering technical support for the Asia Pacific market.
